

Reflection Rooms & Lounges

Enfield Memorial Park

ADELAIDE — CEMETERIES

There's a lot to consider when arranging a funeral service and choosing a purpose-built, versatile space staffed by an experienced team of people can help put your mind at ease. The Acacia and Folland Reflection Rooms and lounges at Enfield Memorial Park were created especially to cater for families looking for a peaceful place to say farewell, reflect and remember the life of a family member or loved one.

Many families choose to remember a life through photos, video and music and our Reflection Rooms are equipped with this in mind, featuring up-to-date audio visual equipment to smoothly and reliably play whatever media you choose. Our Reflection rooms and their dedicated lounges are modern, comfortable spaces. Our lounges cater perfectly for refreshments following a burial or cremation service and our team is ready to help make the whole experience as smooth and stress-free as possible.

Our experienced Memorial Sales team will be more than happy to discuss options and take you for a tour. Bookings are requested to ensure staff availability.

Acacia

The Acacia Reflection Room can accommodate 96 seated guests inside and the remainder outside (mix of seated and standing). Outdoor speakers and projection screens mean that even at larger funerals, guests outside can hear and see the service.

Folland

The Folland Reflection Room can allow 117 people inside and additional guests outside (mix of seated and standing). Outdoor speakers and projection screens mean that even at larger funerals, guests outside can hear and see the service.

AV & Live Streaming

Each of our reflection rooms at Enfield Memorial Park offer full AV Systems including projectors, audio and live streaming. These systems connect to the exterior of the reflection room – allowing those outside of the room to be a part of the service.

We have recently upgraded our AV system to include more flexibility when it comes to the service order and type of files accepted – allowing for a truly unique and personalised service.

For those that are unable to attend the service, Adelaide Cemeteries are pleased to offer complimentary Live Streaming of the service in both of our reflection rooms. Hosted through our website and secured with a unique PIN, the service is streamed live as well as stored on our server for loved ones to be able to watch back at a later time.

All services conducted within our Reflection Rooms also include a complimentary 'Celebration of Life' DVD presentation. Each presentation includes up to 30 photographs, accompanied by a single piece of music.

Catering & Refreshments

For lounge services held at Enfield Memorial Park, we offer a range of hot beverages and chilled still/ sparkling water for those who wish to stay after the service.

We can also offer an outdoor lounge service, allowing your loved ones to enjoy the beautiful gardens while reflecting and paying their respects.

We are also excited to be able to now offer a range of sweet and savoury platters that can be added to a lounge service up to 48 hours prior. These options are charged on a "per platter" basis and come in hot or cold options, as well as catering to a variety of dietary requirements. If you have any specific requests or are interested in additional catering options, our Hospitality Team would be pleased to discuss these with you.

A New Era of Reflection

Work is nearing completion on our new \$25 million Multi-Function Community Precinct at Enfield Memorial Park. With spaces for up to 500 people and expanded food and beverage options, the expected completion of this project will be early 2023.
