CEMETERIES**

# Choosing has never been easier.

At Adelaide Cemeteries, making your choice is a simple matter of just a few steps.

Decide on the type of burial or placement that best suits you, then choose the garden that appeals to you and finally choose the tenure you'd like.

*Please note that in some of our cemeteries and gardens, tenure is fixed, making choosing even simpler.*

## Interest-free payment plans

Adelaide Cemeteries understands that purchasing a site can be a significant investment. That's why we provide the option for sites at any of our four cemeteries to be easily pre-purchased using a 3-year interest-free payment plan. *Terms & Conditions Apply.*

# Extending your tenure

All of our cemeteries operate on a limited tenure basis. We welcome the extension of the tenure on the site which can be done at any time and by anyone - it doesn't need to be paid for by the Interment Right Holder. Keeping a site in-tenure allows for future interments as well as the placement of cremated remains within the site.
