Cheltenham Cemetery

ADELAIDE —
CEMETERIES

Cheltenham Cemetery's history can be traced back to 1876. Generations of families have considered this cemetery part of their story and a place close to the heart of the Port Adelaide community. Through carefully considered ongoing development, Cheltenham Cemetery will be able to serve the needs of local families for many generations to come.

We're proud to offer a range of contemporary, traditional and unique memorial options for your loved one. We offer single and companion sites to remember your loved ones, as well as the option to inter cremated remains into burial sites within our cemeteries.

If you would prefer to keep your loved one at home, we also have a range of urns, jewellery and keepsakes available to suit all budgets.

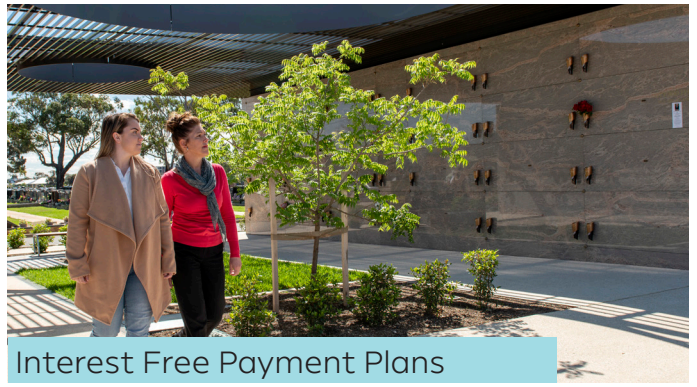

Our experienced Memorial Sales team will be more than happy to discuss options and take you for a tour of Cheltenham Cemetery.

Bookings are requested to ensure staff availability.

Secure without Stress

Adelaide Cemeteries offer a 25 year grace period for tenures of more than 50 years, meaning the tenure on the site won't start until an interment takes place, or 25 years after purchase - whichever occurs first.

Interest Free Payment Plans

We know that purchasing a site can be a significant investment, that's why we offer interest free payment plans for pre-need sites. After securing the site with a 20% deposit, the remainder can be paid off over three years with no administration fees.
