

Buddhist Garden

Enfield Memorial Park

ADELAIDE —
CEMETERIES

On a westward facing slope within the picturesque gardens of Enfield Memorial Park is a bespoke interment area designed in the Buddhist tradition.

Capturing the essence of the Buddhist faith and the principles of Feng Shui, this calm and peaceful place of remembrance was blessed with holy dews, transforming it to pure land.

The focal point of the garden is the Amitabha Buddha. The impressive marble statue watches over the symmetrical gardens, which have been beautifully balanced to achieve a sense of peace and harmony. The inclusion of land gods, incense bowl and offering tables allow for Buddhist customs and traditions. The spacious area also provides ample room for family gatherings and more intimate areas for private contemplation. Vault, traditional earth burial and cremation memorial options are available.

Our experienced Memorial Sales team will be more than happy to discuss options and take you for a tour of the Enfield Memorial Park Buddhist Garden.

Bookings are requested to ensure staff availability.

A Welcoming & Peaceful Place

While the Buddhist Garden has been designed with the Buddhist faith and Feng Shui principles in mind, anyone is welcome to be interred into this unique, iconic and peaceful area. The time taken to design and plan this area reflects in the layout and beauty of the surrounds and plantings.

Growing to Meet Needs

Due to overwhelming demand, stage 2 and 3 of the Enfield Buddhist Garden is now on sale. Designed in consultation with a Feng Shui master, this expansion includes an undercover shelter and Quan Yin statue. The design reflects the current symmetry and allows space for an additional 16 vaults and 180 lawn beams.
