ADELAIDE — CEMETERIES

History rests here, in a place that's very much alive to Adelaide's needs today. The State Heritage Listed West Terrace Cemetery provides a rare opportunity to establish an everlasting resting place in one of Australia's oldest capital city cemeteries.

There's no better place to preserve your family history than the Wakefield Section. Set amid Adelaide's picturesque parklands, this charming area has lush hedges and plantings of rosemary, oleander and cypress pine to create a truly peaceful final resting place in the heart of Adelaide.

The newly opened Promenade offers a variety of burial options including Full Monument and Vaults. Through careful research and investigation, we are also pleased to offer a limited number of premium, unused sites in the cemetery's heritage areas amongst some of South Australia's most prominent figures.

Our experienced Memorial Sales team will be more than happy to discuss options and take you for a tour of West Terrace Cemetery.

Bookings are requested to ensure staff availability.

Heritage Sites

Perhaps one of the least-known facts about West Terrace Cemetery is that in amongst the colonial headstones and graceful statues of the cemetery's old heritage areas lie premium, unused sites currently available with 99-year tenure.

These are sites in places where history lies resting quietly - Adelaide's great families, pioneers, empire builders and politicians. Securing a space in these areas is a special investment indeed as these sites become increasingly rare. Just walking along these quiet paths is an experience itself.

The Promenade

Designed to reflect the heritage aura of West Terrace Cemetery, The Promenade is a premium new addition to the West Terrace Cemetery, with earth burial sites and vault sites on offer. There are beam and headstone as well as full monumentation areas available.

Located near the curator's cottage at the West Terrace entrance of the cemetery, the architecture and plantings that comprise The Promenade give the garden its own special feeling of quiet seclusion.

The Promenade welcomes a wide choice of monument styles.

Wakefield Section

The Wakefield Garden is situated on the northern fringe of West Terrace Cemetery and can be accessed via Wylde Road. Beautifully landscaped and featuring lush lawns, it caters for various types of interment and monumentation including the popular beam and headstone style.

The Wakefield Garden is a perfect choice for families who wish to take their place amongst the history and heritage of West Terrace Cemetery yet are looking for an option that includes lawns and landscaping, creating a distinct and quite defined area.
