ADELAIDE — CEMETERIES

Choosing what feels right.

At Adelaide Cemeteries, with care and compassion, we are here to help you choose what feels right.

You might begin by considering the type of burial or placement that feels right for you or your loved ones, then explore the gardens to find a place that brings comfort and peace and finally select the tenure that suits your wishes.

Please note that in some of our cemeteries and gardens, tenure is fixed.

Interest-free payment plans

Adelaide Cemeteries understands that purchasing a site can be a significant investment. That's why we provide the option for sites at any of our four cemeteries to be easily pre-purchased using a 3-year interest-free payment plan.

Extending your tenure

All of our cemeteries operate on a limited tenure basis. We welcome the extension of the tenure on the site which can be done at any time and by anyone – it doesn't need to be paid for by the Interment Right Holder. Keeping a site in-tenure allows for future interments as well as the placement of cremated remains within the site.
